In the event of a snow emergency or any weather related cancellation the team that cannot make it must contact the opposing teams captain to reschedule and all matches must be played before the last night of league play. 10. Each team must have four players of which one is designated as the team captain. A team should consist of at least one male and one female player ( 4 girls are acceptable.) In the event of an absent player, the game may be played with three players. The vacant spot left at 301. Please be respectful of other players and be ready to shoot when it is your turn. Repeat violators will be penalized at the discretion of the League facilitator.
11. Each team may have unlimited subs. A sub may be used at any time throughout the season. All subs must have played at least once throughout the season to be eligible to play in the end of the year tournament. Subs may be shared throughout the year by any bar, as long as the player they are replacing has a higher CDA than the sub(unless they are on the original sign up sheet for that location). If it is the first time a sub is playing and has no CDA, and it turns out to be higher than the persons' they have replaced, the new sub will be penalized accordingly. Any new sub not already listed on your sub list ( after the first half of the season) must be approved by Marty Gall, Dyan Featherly or Darlene Albrecht prior to shooting that night. Failure to comply will result in game loss.
12. When inserting money in Valley machines DO NOT push league button. This will not allow you to go out on a tie as the league allows. A player can not go out if their partners score is higher than their opponents combined scores.
13. The "Player Change" button MUST be pushed before pulling out your darts. If it is not done and a player registers additional points while pulling out the dart, that player forfeits his or her next turn. If by pulling out the darts would cause the player to go out, that team forfeits the game.
14. If a player shoots on the wrong number, he or she must change to the correct player and shoot remaining darts.

15. A dart thrown that sticks but does not register MAY NOT be manually scored. (Unless agreed upon by both team captains). The dart machine is always right. If the machine is not working properly, the two captains will decide whether to play, call for repair, make-up the game at a later date, or go to another board.
16. BED TRICK - Three darts in any same triple. Please mark on top of score sheet!
17. A player may stand ON the line or tape when shooting, but not over it.
18. Any complaints or questions about rulings or problems are to be made to the Board Members by CAPTAINS ONLY! If you have any questions about scoring or stats, contact the President or Secretary.
19. All players must meet the requirements of the statues of the State Of Wisconsin relating to the Sale of alcoholic beverages. ( 18 or older as long as a Parent is present with them and is there The Entire match.) No one under the age of 18 may play - NO EXCEPTIONS.
20. Again this year we will ask you to use the player ID number in addition to the players full name; please no nicknames . You will see the location for the number next to the name box. This will help in both record keeping and the elimination of misspelling of the players names.
21. This Year's Tournament Will Be Held At Flatcreek Eatery Saturday April 2<sup>nd</sup>, 2022.
